expuesto, confirma que los resultados de la verificación de validez de la información presentada por el Organismo de Inspección SUNCHINE QUALITY CONTROL TECHNOLOGY SERVICE CO., LTD., es correcta por lo que solicita a la Dirección de Asesoría Jurídica del SAE, dar continuidad al proceso con la emisión del informe jurídico correspondiente, para lo cual se adjunta en digital la documentación respectiva (...).

Mediante memorando de 28 de agosto de 2025, la Dirección de Asesoría Jurídica, informó a Dirección Ejecutiva del SAE, lo siguiente: “(...) Por lo expuesto y de conformidad a lo dispuesto en el artículo 23 de la Ley del Sistema Ecuatoriano de Calidad y el artículo 65 de su Reglamento, una vez que se verificó el cumplimiento de los requisitos aplicables, recomendando acoger la recomendación de la Coordinación General Técnica del SAE, y notificar mediante oficio al solicitante, la aceptación del registro del Organismo de Certificación SUNCHINE QUALITY CONTROL TECHNOLOGY SERVICE CO., LTD., así también a la Dirección de Análisis de la Acreditación del SAE, la correspondiente publicación en la página web, el F PO07 vigente Registro del reconocimiento de la acreditación otorgada por organismos de acreditación extranjeros firmantes de acuerdos IAAC/IAF/ILAC, con la respectiva información (...).”

BASE CONSTITUCIONAL Y LEGAL:

El artículo 227 de la Constitución establece que: “La administración pública constituye un servicio a la colectividad que se rige por los principios de eficacia, eficiencia, calidad, jerarquía, desconcentración, descentralización, coordinación, participación, planificación, transparencia y evaluación”.

El artículo 21 literal a) de la Ley del Sistema Ecuatoriano de la Calidad, publicada en el Registro Oficial No. 26 del 22 de febrero de 2007 dispone como una de las competencias de la institución: “Acreditar, en concordancia con los lineamientos internacionales, la competencia técnica de los organismos que operan en materia de evaluación de la conformidad”.

El artículo 26 ibidem determina: “Los organismos de evaluación de la conformidad de observancia obligatoria que operen en el país, deberán estar acreditados ante el Organismo de Acreditación Ecuatoriano - OAE o ser designados por el Ministerio de Industrias y Productividad, según corresponda, y en concordancia con los lineamientos internacionales sobre acreditación”.

El artículo 65 del Reglamento a la Ley del Sistema Ecuatoriano de la Calidad que señala: “Luego de la comprobación del cumplimiento de los requisitos aplicables para cada caso, la Dirección General del OAE, conforme el sistema de gestión de acreditación vigente, tomará las decisiones de otorgamiento, mantenimiento, ampliación, reducción, suspensión y retiro de la acreditación de los organismos que operan en materia de
